### Welcome to our School!

On behalf of our entire community, welcome to École Mother Teresa School. Our school has a strong Catholic Christian focus and all members of our school community work collaboratively to assist students in achieving personal and academic success in an organized and safe and caring environment. Our goal is to develop and preserve in each student a sense of self-worth, self-confidence, and resiliency. École Mother Teresa School has 432 students from grade 5 to grade 9 in both English and French Immersion programs.

#### **Commitment to Catholic Education** **Religious Education**

Parents are the primary educators of their children. A quality Catholic education involves a foundation of mutual respect between home, school, and parish. We look forward to parental support and involvement at École Mother Teresa School as well as at Our Lady of the Assumption Parish.

Our Catholic faith is continually nurtured and experienced in Religion classes, all curriculum, celebrations, and prayer. Students are actively involved in our parish

through masses at the church/school, through visits by our parish priest and youth minister, and through our middle school youth group. There are many opportunities for parents to join in both school and classroom celebrations of Catholic faith.

## Family Groups

Each middle school class is paired with an elementary class and pair up periodically, for faith development and team building activities.

## Sacramental Preparation

The school supports the parish in regards to sacramental preparation. Although it is the responsibility of parents to make arrangements for their children to receive any sacrament, the school will support you in doing this. If you need any assistance in helping to coordinate with the parish, please contact the school.

## Opportunities for Student Learning

**Core Programs include:** RELIGIOUS EDUCATION, LANGUAGE LEARNING (English Language Arts and French Language Arts), MATHEMATICS, SCIENCE, SOCIAL STUDIES, PHYSICAL EDUCATION, EXPLORATORY SUBJECTS

## Exploratory Courses

Exploratory courses are a way to extend the students' knowledge, skills, and attitudes learned in core courses to a variety of themed subject areas. Exploratory courses carry the same responsibilities as regular core classes.

Exploratory Courses are offered at the Middle School and will vary from year to year. Some examples may include Outdoor Education, Construction, Food Studies, Stressbusters, Fitness, Book Club, Coding, and Band. The courses vary from term to term, and all fit into the provincial Career and Technology Foundations curriculum.

**Grade 6 students** will be assigned to exploratory classes that will satisfy the Fine Arts minutes expectations by Alberta Education for the grade 6 year.

**Grade 7, 8 and 9** students will indicate their preferred exploratory courses and/or area of interest. However, some courses have limited access because of safety procedures (Construction, Foods and Physical Education courses) and we also must ensure equitable class sizes. We strive to provide every student with a variety of courses

throughout the year and we will ensure students receive at least 1 of their top choices throughout the year.

## Special Programs

**French Immersion Program** – École Mother Teresa School offers a rich language-centered French Immersion program. French Immersion permits the child to become fluently bilingual at a time in their life when language is easily acquired.

**Inclusive Education** – Academic support is offered to assist students who require additional assistance with Language Arts and Mathematics or to offer enrichment to students who are excelling in a particular subject. The majority of academic supports occur within the regular classroom through clustering for small group instruction or through assistance by a co-teacher.

**School Counselors-** Teachers, parents, or students themselves may refer students (themselves) to a counselor. Referrals are made directly to the counselors via the school staff, by email or by telephone. Our counselors provide both personal and career counseling. Goals of the Comprehensive Guidance Program at École Mother Teresa School are to continue to build and expand a counseling program which enhances the growth and development of all students in the following areas:

1. Help students interact effectively with others.
2. Help students maximize their academic, social and emotional potential.
3. Help students acquire the knowledge, skills, attitudes and habits required to successfully respond to high school expectations.
4. Help students gain the skills they need to cope with personal problems and concerns that may impede educational achievement and personal/social growth.
5. Request the assistance of parents, teachers and other school personnel in the identification of personal, social and intellectual needs of students.

## Absences/Lates

Whenever your child will be absent from school (either morning or afternoon), please call or email (leigh.baker@rdcrs.ca) the school at 403-887-6371. If you phone prior to office hours, you are able to leave a message. If the school has not been notified, the Administrative Assistant will contact the parent through SWIFT K-12 twice a day. In the case of an extended period of absence, please contact the teacher regarding homework.

Should your child be late arriving at school, he/she must report to the office to avoid being marked absent.

## Learning Commons

The Learning Commons strives to provide resources and support for educational excellence to our students and to instill a passion for reading that will inspire them to be lifelong readers, and therefore lifelong learners. We are also developing this space to incorporate maker space learning activities. Makerspace is identified as one of six important developments in educational technology for K-12. This space provides an atmosphere for engaging learners in creative, higher order problem-solving through hands-on design and creation.

Students are encouraged to return and borrow books by any of the following methods:

1. During their regularly scheduled literacy block time or during class time (with teachers' permission);
2. At recess or lunch time;
3. Before or after school.

**The learning commons is open to students and staff from 8:19 a.m. to 4:00 p.m.**

## Middle School Textbook Policy:

- Each student will sign out textbooks from the Learning Commons as required by their teachers. (The student's name should be written in all texts issued to them.)
- Each student will be held accountable for all textbooks issued to them - it is your child's responsibility to keep these books in good condition.
- When not in use, textbooks should be kept in the student's locker or backpack.
- Textbooks used by students and not returned at the end of the school year will be billed to the student or the student's parent(s) or legal guardian(s) at the current replacement cost.

***Trust in the Lord with all your heart. Fait confiance au Seigneur de tout ton coeur.***

# 2020– 2021 École Mother Teresa Handbook

- Textbooks assigned to students which have been damaged will be assessed for the extent of the damage and a cost determined that is proportionate to the current age of the material, period of remaining usefulness to the school, and other factors deemed appropriate by the school administration.

## **School Bussing**

All students can be provided bussing within their designated catchment area through Red Deer Catholic Regional Schools Transportation Department. Bus rules will be sent home with bus students at the beginning of the year. Repeated infractions will result in suspension from riding the bus.

## **School Pictures**

Photographs of each student are organized through Lifetouch and are available in different packages prior to Christmas. We may also offer Spring photos. Parents are not required to purchase these photographs. Information brochures will be sent home with all students.

## **Mobile Phone Expectations and Procedures**

In order to ensure the very best climate for learning, students are restricted from using mobile phones in class. Students have access to chromebooks, computers, laptops, and iPads during classes to support their learning outcomes. Procedures are listed below:

1. Mobile phones should be **'off and away'** in lockers during all class times. If any phone is seen or heard in class, the student will be asked to take their phone to the office. Phones should not be tucked in clothing, in bags, or in binders.
2. Phones delivered to the office will be returned to students at the end of the day in the first and second instances. Should there be a third occurrence, a call will be made home requiring a parent/guardian to collect the student's phone.
3. Students are still able to use their phones prior to school, during lunch, and after school. We would appreciate it if you would contact your child during these times. Mobile phone restriction is in place at all other times including locker breaks.

Please note that in the case of any special needs or family emergencies, we have a landline that is answered from 8:00am - 4:00pm.

## School Program Fees

Any extra-curricular fees are payable to the office. Please make all cheques payable to ÉCOLE MOTHER TERESA SCHOOL.

## Lunch Hours

All students eat in the gathering area and are expected to follow lunch room rules. Several lunch supervisors are on duty inside during eating times and outside during recess. The Lunch Box cafeteria is open Tuesday to Friday, depending on their school calendar and extreme weather. If École Fox Run or Ecole Mother Teresa is closed and/or the buses aren't running due to weather, the cafeteria will be closed.

Our school policy is that we are a **closed campus** during the day and students are to remain on school grounds. **We do not allow students to leave the school grounds during the lunch break to go home for lunch unless the required form is completed by parents.** Once the form is completed, students who leave the school grounds must sign out and back into the office. (Please note that due to ongoing safety issues, the area surrounding the Circle K store is off-limits during lunch.) This policy is in place for the protection of our students. In the event of a fire drill or school lockdown, we need to be able to ensure that all students are safe and accounted for.

## Communication

All families are highly encouraged to follow École Mother Teresa School on Facebook, Twitter, and Instagram, as well as use our website as an important source of information. They are all updated daily with many pictures and write-ups of the great things that are happening in the school.

Weekly on our school website, [ecolemotherteresa.ca](http://ecolemotherteresa.ca), parents may access our Week at a Glance document. Updated weekly, it gives families important information and weekly events in our school. It is posted each Friday, highlighting the next week.

Parents are given a login code to access the Parent Portal of PowerSchool. This will allow parents to check on their child's attendance and grades.

Parents are also encouraged to contact teachers directly if necessary. They may do this by phoning the school at 403-887-6371, or via email. Teacher email can be accessed on our school website, [ecolemotherteresa.ca](http://ecolemotherteresa.ca).

## Volunteers in the Classroom

If a parent wishes to volunteer at the school, they must have a current criminal record check on file at the office. These are available at the local RCMP office for free with a letter from the school. A new procedure for RDCRS requires all criminal record checks to be updated every 3 years, and all criminal record checks need to be submitted to the school within 30 days of receiving the document from the RCMP.

## Daily School Opening and Closing

The school office is open from 8:00 a.m. to 4:00 p.m. each day. Beginning at 8:18 a.m., elementary students will be supervised on the playground and middle school students in the hallways/gathering area.

There have been slight modifications to the times within the day to ensure we meet the appropriate hours of instruction as mandated by division policy.

Missing, late, and excused assignments will be indicated on your PowerSchool account.

In addition to ongoing, live reporting, Parent-Teacher Conferences will be held in November and March.

## Honour Roll

Your assistance in seeing that your child completes the homework and returns it to school on the next school day is appreciated. One of the most valuable activities a student can participate in is 10-20 minutes of nightly reading.

## Study Hall

Study hall runs during our exploratory block for middle school students. When students do not hand in assignments on time, teachers may assign students to study hall. There, students have the time they need with the support of a teacher to complete the required

work. Once work has been completed, students return to attending their assigned exploratory class.

## Office Hours for Teachers

Mathematics help will be provided every day at lunch in the Learning Commons for students who need extra support in this subject.

## Extra-Curricular Sports

École Mother Teresa School offers students the privilege of participating in inter-school sports. The Crusaders are involved in cross-country running, volleyball, basketball, ski club, badminton, and track & field. Our athletic programs are very successful in their leagues. Students who are participating in these sports teams that are run outside of school hours are required to attend all practices unless any issues arise and have discussed the problem with coaches. **Students are required to be in good academic and behavioral standing in order to participate in extracurricular sports.**

## Gym Strip

All middle school students are required to change for Physical Education and to wear indoor runners (no black soles) while in the gymnasium. No one will be allowed to participate in gym without proper footwear. Dress code is in effect during PE class.

## Crisis Response Procedures

Red Deer Catholic Regional Schools has implemented a School Division Safety Plan to create and maintain safe and caring schools. This plan includes a Crisis Response Manual through Hour Zero which outlines procedures and guidelines for managing a critical incident. Staff is trained in these procedures and practice exercises early in the year for students and staff will ensure we are able to deal with a critical incident in a safe and effective manner.

If your child becomes acutely ill or is seriously hurt at school, staff will make every effort to contact you at home or at work. **(Please notify the school immediately if you have a change of address, home, or work phone numbers, emergency contact, or the contact's phone number.)** If these efforts fail, we will attempt to contact the "emergency contact" numbers you give us. Failing this, if we evaluate the situation as

serious enough, we will call 911 and have your child transported to the Health Care Centre. In the interim, your child will be attended in the school health room.

## **Hour Zero Emergency Procedures**

Procedures are practiced throughout the year to prepare your child for various emergency situations. We practice 6 fire drills, 2 lockdowns, 2 hold and secure & 2 shelter-in-place. We ask parents to familiarize themselves with our Emergency Response Plan on our website. In the case of a real emergency, parents receive pertinent information through our social media platforms and Swift K-12 Alert Systems.

## **Bill 10**

Red Deer Catholic Regional Schools is committed to using the LIFE Framework as a guideline for the creation and operation of student groups that are comprehensive in their approach to inclusion and open to the exploration, in a Catholic context, of a variety of issues including bullying, sexual harassment, sexual orientation, gender identity, discrimination, justice, and respectful relationships and language. The LIFE Framework is the result of a provincial collaboration of Catholic school jurisdictions. Each of our schools may be organizing LIFE Framework/Diversity groups. They will keep their communities informed as these groups are established by placing notices in their newsletters/websites.

## **École Mother Teresa School Conduct Code**

### **MISSION STATEMENT:**

Our students are positive and caring people who can demonstrate responsibility for themselves and others within a Catholic school environment.

### **PHILOSOPHY:**

We, at École Mother Teresa School, in partnership with home and community, believe in the principle of discipline with dignity. We recognize the inherent right of each individual to be safe and be treated with justice and respect.

### **PRINCIPLES:**

École Mother Teresa School believes that all children have the right to learn in a positive, cooperative, orderly school environment. Our goal is to help students see themselves as being responsible for their behavior and in control of themselves. Any

# 2020– 2021 École Mother Teresa Handbook

behavior that infringes on the right or well-being of others is unacceptable in our school. (See appendix A- Alberta School Act). Students must understand that they are responsible for their own behavior. While the majority of students behave in a responsible manner most of the time, we recognize that on occasion, a student may err in judgment regarding his/her behavior. The staff and parents share the responsibility for teaching students ways to handle their errors in judgment in a more acceptable manner.

Support will be provided for all students in order to promote the internalization and practical application of these principles in daily life. **High expectations for positive conduct will be held for all students at École Mother Teresa School.**

## Responsibilities of Individuals at École Mother Teresa School

1. I WILL arrive at school on time and be prepared for class, because I have a right to learn in this school.
2. I WILL listen to instructions and do my work to the best of my abilities.
3. I WILL listen when others are speaking, because everyone has a right to hear and be heard.

6. I WILL accept each other's right of privacy of thoughts, feelings and personal property, because everyone has a right to privacy.
7. I WILL listen to feedback from others, because everyone has the right to receive assistance and support in their academic, spiritual, physical, emotional and social growth.

- Physical – For example: poking, elbowing, hitting

## **Definition of Conflict in Relationship**

**Conflict in Relationship** occurs through “single episodic acts of breakdowns in relationship between students. When a **conflict** occurs at EMTS we ensure that our focus is on three important factors:

1. Accountability and learning of socially appropriate behaviors
2. Appropriate and meaningful consequences
3. Reconciliation

**\*If your child is experiencing any issues at school your best course of action is to contact the classroom teacher as soon as possible. We are here to help!**
