January 16, 2024

Dear Grade 9 Parents/Guardians,

We are excited to have the opportunity for the Grade 9 students to visit their prospective High Schools for Discovery/Exploration Day on January 29, 2024. This is a chance for all students to get a small sample of a few different areas of study they might want to explore upon entering high school. On January 16, students will be choosing some of the option courses (known as CTS courses at the High School) that they would like to explore on the Discovery Day. These are not the ones they will be registered in for next year, simply ones that they choose to test out on the day. The itinerary is as follows:

- 11:00 - Bus leaves EMTS
- 11:40-12:00 - Students arrive at SJHS & NDHS
- 12:00-2:20 - Student Activities
- 2:00-2:20 - Students leave for EMTS
- 3:00 - Students arrive at EMTS

Students will attend their designated school regardless of potential programs they may register for in the Spring (sports academies and so on). Our English students will head to St. Joes and our French Immersion students to Ecole Notre Dame High School. In order for your child to participate in this activity you need to complete and submit the digital parent permission form on or before Wednesday, January 24, 2023 at 3:30 p.m. Any students that do not have parent permission will have curricular work to complete at school for that day.
