

École Mother Teresa School Summer Newsletter

Well, we have made it to the end of June. On behalf of Mrs Miller and myself, we wanted to thank our school community for their continued support as we journeyed through our first year at the school, and as a team. To our grade 9's, best of luck next year, remember to stay true to your individuality and always be kind. To all our returning students, we look forward to seeing you in the new school year after a well-deserved summer break. We wish everyone all the best this summer as you spend time with family, friends and enjoy the outdoors.
